Description of Project:

Pymble Ladies College - Centenary Sports Precinct

Objective:

The Centenary Sports Precinct, a \$34 million capital works project and a fitting commemoration of Pymble Ladies College 100 year celebrations.

Pymble Ladies College was founded on a vision that health and vitality were essential to every girl achieving her potential. That vision resonates today with a multi-purpose fitness centre, incorporating strength and conditioning facilities and consultation and remedial treatment rooms.

To design the Centenary Sports Precinct, Pymble Ladies College undertook an extensive consultative process, drawing on sustainable design principles to create world-class facilities. Including an indoor running track and lanes made from everroll® Shape Amsterdam.

Information at a glance:

Location: Pymble Ladies College,
Avon Road, Pymble NSW 2073

Installer: Bass Floor Company (Sydney)
