Rugby Australia Building

Description of Project:

Rugby Australia Building

Objective:

The Rugby Australia Building in Sydney is the first facility of its kind in Australia to house national sporting teams alongside one of the country's leading tertiary education institutions.

Located in one of Sydney's biggest sporting precincts at Moore Park, the home of Rugby Australia and the University of Technology Sydney's sport and exercise science and physiotherapy programs, is a world-class high performance training facility and a valuable community asset.

Information at a glance:

Location: Moore Park Road & Driver Avenue,
Moore Park NSW 2021

Architect: Populous

Photographer: Markus Summerer
